That's still a long shot. Receivers usually aren't taken as the No. 1 overall pick and Carolina's history with drafting receivers shows that they often take time to develop,cheap steelers jerseys,nike nfl deal,hockey jersey custom, if they develop at all.

The Panthers might give Bowers a few extra points because he's a local kid and that sometimes has been an important factor to owner Jerry Richardson in the past. But,nfl saints jersey, with the

emergence of Charles Johnson this season,ohio state football jersey,georgia tech football jersey,hockey jersey creator, I don't think the need is as great at defensive end as it is at some other positions. The Panthers also have ends Everette Brown and Greg Hardy,nfl jerseys nike,nike nfl football jerseys,wholesale nfl jerseys, who have plenty of potential.

Mel Kiper has his latest Big Board out. If Carolina's board looks anything like Mel's on draft day,create a nfl jersey, there's an excellent chance the Panthers will use the first pick of the draft on a defensive lineman.

The Dallas Cowboys lost one of their candidates for defensive coordinator Thursday,irish hockey jersey,nfl nike jerseys 2012,1980 usa hockey jersey, according to a report from ESPN's Joe Schad. Connecticut has hired Cowboys assistant Paul Pasqualoni to replace Randy Edsall as head coach.

PasqualoniPasqualoni,chinese nfl jerseys, the former head coach at Syracuse,football jersey numbers, took over as interim defensive coordinator for the Cowboys when Wade Phillips was fired at midseason. The Cowboys increased their takeaways dramatically,nfl jersey,custom football jersey, although they continued to give up a lot of points and yardage. Dallas head coach Jason Garrett had informed Pasqualoni that he planned to keep him in some capacity,womens football jerseys, but he was a long shot to be the full-time defensive coordinator.

Veteran players such as linebacker Keith Brooking were impressed with how quickly Pasqualoni took control of the defense at midseason. He grabbed their attention with a fiery meeting on the Wednesday after Phillips was fired. Pasqualoni also set the tone in practice by asking his players to find a quicker tempo. Under almost impossible circumstances,ohio state football jersey,football jersey, he convinced these players to finally show a little pride.

I really thought Mark Whipple would get the UConn job. Pasqualoni's experience obviously won out. And I'm sure the Huskies like the fact Pasqualoni won't use them as stepping stone position. The Cowboys lost an excellent assistant coach,nfl jersey supply,oregon ducks authentic football jersey, so Garrett's job becomes even tougher.

Defensive tackle has been a problem spot for the Panthers ever since they lost Kris Jenkins and Maake Kemoeatu. There might be some temptation to go with an offensive player because the Panthers have made it clear they intend to improve their offense.

With Andrew Luck staying in college and Cam Newton,new nike nfl jerseys,cheap nfl new jerseys, who hasn't declared if he'll enter the draft,nike nfl 2012,nfl home jersey, falling on Kiper's board,nike and nfl,nike football jerseys 2012, the top two players are defensive linemen. Kiper has Auburn defensive tackle Nick Fairley at No. 1 and Clemson defensive end Da'Quan Bowers at No. 2.

But the only offensive player in Kiper's top five is Georgia wide receiver A.J. Green. When new coach Ron Rivera was introduced to the media Tuesday,nike nfl jerseys, he made it a point to talk about how he likes Brandon LaFell and David Gettis,nfl eagles jersey,new nfl jerseys 2012, who each showed some promise as rookies. The Panthers also have veteran Steve Smith. If Smith decides he wants out,nike nfl store, the Panthers would trade him and that would create a need for a No. 1 receiver. That's the only scenario where I see the Panthers going for Green.

With the rest of the talent Carolina already has in place adding Fairley could make the defense a solid unit. It might be wise to make that happen first and spend the rest of the draft and free agency working on the offense.
